## **WCTR PERSON OF THE YEAR**

It's again time to select the WCTR Person of the year. Last year's nominations were many, climaxing with the winner, Madhu Sidhu, executive director of character counts. This year we are expecting even more nominations, so you need to ask your self "who would I nominate". Who is that special person that had a positive impact on you personally, on your community, business or organization? A person that made a difference, that brought a better life to those he or she affected through their private, professional or volunteer efforts. All nominees should be from our listening area of Kent and Queen Anne's counties and the surrounding area. From Kent Island to Galena, Rock Hall to Millington, all nominees are welcome. Nominations should be in written form of 100 words or less to WCTR's 'Person Of The year'. Nominations can be submitted by email at [info@wctr.com](mailto:info@wctr.com), by fax to 410.778.4800, or by mailing your nomination to WCTR, PO Box 700 Chestertown Md, 21620. Let's continue the tradition at WCTR . A tradition of taking the time to recognize that special person that made a positive difference in our lives. Nominations are now being accepted, deadline for all nominations must be received by WCTR no later than April 1st.
